Advance Directives Electronic Forms

The ROYL is a leader in offering electronic Advance Directive documents for digital signatures. Electronic Advance Directive Forms are secure and accessible anytime from any device that allows for Internet access.

Why do an Advance Directive?

Anyone 18 years of age or older should have an Advance Directive. This document allows for the care you have designated to be respected and followed through in the event you cannot speak for yourself. It allows for you to name someone to speak on your behalf, but most importantly it removes the stress, anxiety and guilt from decisions that your loved ones would otherwise have to make on your behalf.

An Advance Directive is not just for aging people. The cases of Teri Shivo and Karen Ann Quinlan serve as examples of how any adult, regardless of age, can benefit from having one. Both young adults, Shivo and Quinlan were kept alive by machines for years because they did not tell or write down what they wanted in the event of a tragic accident. The court battles that ensued took not only an emotional toll, but required government involvement because of disagreements between spouses and family members.

Description:

An Advance Directive, sometimes referred to as a Living Will or an Advance Health Care Directive, allows you to make your wishes known if you are unable to speak for yourself. An Advance Directive provides you and your loved ones with peace of mind that your care is compatible with your wishes. This is truly a gift to those you love as it helps them clearly know what to do in this stressful situation.

Advance Directive requirements vary from state to state. You can download the appropriate state form here at no cost prior to completing the form online so that you have the required information prepared in advance.

Security:

Your documents are processed using DocuSign, the leader in global electronic signature and document security.

When you complete your Advance Directive with The ROYL, you can download it as a PDF file to your computer's hard drive. DocuSign will email a final copy to the designees in your Advance Directive. We recommend you print a hard copy and send it via email or mail to others you want to have copies.

Contact us if you have questions in preparing the forms selected.

NOTICE: You must have the required information available prior to initiating the document (designees, contact information, wishes for care).

ADVANCE HEALTH CARE DIRECTIVE

EXPLANATION

You have the right to give instructions about your own health care to the extent allowed by law. You also have the right to name someone else to make health care decisions for you to the extent allowed by law. This form lets you do either or both of these things. It also lets you express your wishes regarding the designation of your health care provider. If you use this form, you may complete or modify all or any part of it. You are free to use a different form if the form complies with the requirements of AS 13.52.

Part 1 of this form is a durable power of attorney for health care. A "durable power attorney for health care" means the designation of an agent to make health care decisions for you. Part 1 lets you name another individual as an agent to make health care decisions for you if you do not have the capacity to make your own decisions or if you want someone else to make those decisions for you now even though you still have the capacity to make those decisions. You may name an alternate agent to act for you if your first choice is not willing, able, or reasonably available to make decisions for you. Unless related to you, your agent may not be an owner, operator, or employee of a health care institution where you are receiving care.

Unless the form you sign limits the authority of your agent, your agent may make all health care decisions for you that you could legally make for yourself. This form has a place for you to limit the authority of your agent. You do not have to limit the authority of your agent if you wish to rely on your agent for all health care decisions that may have to be made.

If you choose not to limit the authority of your agent, your agent will have the right, to the extent allowed by law, to

- (a) consent or refuse consent to any care, treatment, service, or procedure to maintain, diagnose, or otherwise affect a physical or mental condition, including the administration or discontinuation of psychotropic medication;
- (b) select or discharge health care providers and institutions;
- (c) approve or disapprove proposed diagnostic tests, surgical procedures, and programs of medication; and
- (d) direct the provision, withholding, or withdrawal of artificial nutrition and hydration and all other forms of health care; and
- (e) make an anatomical gift following your death.

Part 2 of this form lets you give specific instructions for any aspect of your health care to the extent allowed by law, except you may not authorize mercy killing, assisted suicide, or euthanasia.

Choices are provided for you to express your wishes regarding the provision, withholding, or withdrawal of treatment to keep you alive, including the provision of artificial nutrition and hydration, as well as the provision of pain relief medication. Space is provided for you to add to the choices you have made or for you to write out any additional wishes.

Part 3 of this form lets you express an intention to make an anatomical gift following your death.

Part 4 of this form lets you make decisions in advance about certain types of mental health treatment.

Part 5 of this form lets you designate a physician to have primary responsibility for your health care.

After completing this form, sign and date the form at the end *and* have the form witnessed by one of the two alternative methods listed below. Give a copy of the signed and completed form to your physician, to any other health care providers you may have, to any health care institution at which you are receiving care, and to any health care agents you have named. **You should talk to the person you have named as your agent to make sure that the person understands your wishes and is willing to take the responsibility.**

You have the right to revoke this advance health care directive or replace this form at any time, except that you may not revoke this declaration when you are determined not to be competent by a court, by two physicians, at least one of whom shall be a psychiatrist, or by both a physician and a professional mental health clinician.

- In this advance health care directive, "competent" means that you have the capacity
- (1) to assimilate relevant facts and to appreciate and understand your situation with regard to those facts; and
 - (2) to participate in treatment decisions by means of a rational thought process.

The form that follows is found in AS 13.52.300

PART 1

**DURABLE POWER OF ATTORNEY
FOR
HEALTH CARE DECISIONS**

(1) DESIGNATION OF AGENT.

I designate the following individual as my agent to make health care decisions for me:

Name _____
Address _____
City _____ State _____ Zip _____
Home Phone _____ Work _____

OPTIONAL: If I revoke my agent's authority or if my agent is not willing, able, or reasonably available to make a health care decision for me, **I designate as my first alternate agent:**

Name _____
Address _____
City _____ State _____ Zip _____
Home Phone _____ Work _____

OPTIONAL: If I revoke the authority of my agent and first alternate agent or if neither is willing, able, or reasonably available to make a health care decision for me, **I designate as my second alternate agent:**

Name _____
Address _____
City _____ State _____ Zip _____
Home Phone _____ Work _____

(2) AGENT'S AUTHORITY.

My agent is authorized and directed to follow my individual instructions and my other wishes to the extent known to the agent in making all health care decisions for me. If these are not known, my agent is authorized to make these decisions in accordance with *my best interest*, including decisions to provide, withhold, or withdraw artificial hydration and nutrition and other forms of health care to keep me alive, except as I state here:

(Add additional sheets if needed.)

Under this authority, "best interest" means that the benefits to you resulting from a treatment outweigh the burdens to you resulting from that treatment after assessing

- (A) the effect of the treatment on your physical, emotional, and cognitive functions;
- (B) the degree of physical pain or discomfort caused to you by the treatment or the withholding or withdrawal of treatment;
- (C) the degree to which your medical condition, the treatment, or the withholding or withdrawal of treatment, results in a severe and continuing impairment;
- (D) the effect of the treatment on your life expectancy;
- (E) your prognosis for recovery, with and without the treatment;
- (F) the risks, side effects, and benefits of the treatment or the withholding of treatment; and
- (G) your religious beliefs and basic values, to the extent that these may assist in determining benefits and burdens.

(3) WHEN AGENT'S AUTHORITY BECOMES EFFECTIVE.

Except in the case of mental illness, my agent's authority becomes effective when my primary physician determines that I am unable to make my own health care decisions unless I mark the following box.

In the case of mental illness, unless I mark the following box, my agent's authority becomes effective when a court determines I am unable to make my own decisions, or, in an emergency, if my primary physician or another health care provider determines I am unable to make my own decisions.

If I mark this box , my agent's authority to make health care decisions for me takes effect immediately.

(4) AGENT'S OBLIGATION.

My agent shall make health care decisions for me in accordance with this durable power of attorney for health care, any instructions I give in Part 2 of this form, and my other wishes to the extent known to my agent. To the extent my wishes are unknown, my agent shall make health care decisions for me in accordance with what my agent determines to be in my best interest. In determining my best interest, my agent shall consider my personal values to the extent known to my agent.

(5) NOMINATION OF GUARDIAN.

If a guardian of my person needs to be appointed for me by a court, I nominate the agent designated in this form. If that agent is not willing, able, or reasonably available to act as guardian, I nominate the alternate agents whom I have named under (1) above, in the order designated.

PART 2

INSTRUCTIONS FOR HEALTH CARE

If you are satisfied to allow your agent to determine what is best for you in making health care decisions, you do not need to fill out this part of the form.

If you do fill out this part of the form, you may strike any wording you do not want. There is a state protocol that governs the use of do not resuscitate orders by physicians and other health care providers. You may obtain a copy of the protocol from the Alaska Department of Health and Social Services. A "do not resuscitate order" means a directive from a licensed physician that emergency cardiopulmonary resuscitation should not be administered to you.

(6) END-OF-LIFE DECISIONS.

Except to the extent prohibited by law, I direct that my health care providers and others involved in my care provide, withhold, or withdraw treatment in accordance with the choice I have marked below: (Check only one box.)

(A) Choice To Prolong Life I want my life to be prolonged as long as possible within the limits of generally accepted health care standards; *OR*

a condition of permanent unconsciousness: a condition that, to a high degree of medical certainty, will last permanently without improvement; in which, to a high degree of medical certainty, thought, sensation, purposeful action, social interaction, and awareness of myself and the environment are absent; and for which, to a high degree of medical certainty, initiating or continuing life-sustaining procedures for me, in light of my medical outcome, will provide only minimal medical benefit for me; or

a terminal condition: an incurable or irreversible illness or injury that without the administration of life-sustaining procedures will result in my death in a short period of time, for which there is no reasonable prospect of cure or recovery, that imposes severe pain or otherwise imposes an inhumane burden on me, and for which, in light of my medical condition, initiating or continuing life-sustaining procedures will provide only minimal medical benefit;

additional instructions:

(C) Artificial Nutrition and Hydration. If I am unable to safely take nutrition, fluids, or nutrition and fluids (*check your choices or write your instructions*),

I wish to receive artificial nutrition and hydration indefinitely;

I wish to receive artificial nutrition and hydration indefinitely, unless it clearly increases my suffering and is no longer in my best interest;

I wish to receive artificial nutrition and hydration on a limited trial basis to see if I can improve;

In accordance with my choices in (6)(B) above, I do not wish to receive artificial nutrition and hydration.

Other instructions _____

I give these instructions: _____

(E) Should I become unconscious and I am pregnant,

If you are satisfied to allow your agent to determine what is best for you in making these mental health decisions, you do not need to fill out this part of the form. If you do fill out this part of the form, you may strike any wording you do not want.
