Advance Directives Electronic Forms

The ROYL is a leader in offering electronic Advance Directive documents for digital signatures. Electronic Advance Directive Forms are secure and accessible anytime from any device that allows for Internet access.

Why do an Advance Directive?

Anyone 18 years of age or older should have an Advance Directive. This document allows for the care you have designated to be respected and followed through in the event you cannot speak for yourself. It allows for you to name someone to speak on your behalf, but most importantly it removes the stress, anxiety and guilt from decisions that your loved ones would otherwise have to make on your behalf.

An Advance Directive is not just for aging people. The cases of Teri Shivo and Karen Ann Quinlan serve as examples of how any adult, regardless of age, can benefit from having one. Both young adults, Shivo and Quinlan were kept alive by machines for years because they did not tell or write down what they wanted in the event of a tragic accident. The court battles that ensued took not only an emotional toll, but required government involvement because of disagreements between spouses and family members.

Description:

An Advance Directive, sometimes referred to as a Living Will or an Advance Health Care Directive, allows you to make your wishes known if you are unable to speak for yourself. An Advance Directive provides you and your loved ones with peace of mind that your care is compatible with your wishes. This is truly a gift to those you love as it helps them clearly know what to do in this stressful situation.

Advance Directive requirements vary from state to state. You can download the appropriate state form here at no cost prior to completing the form online so that you have the required information prepared in advance.

Security:

Your documents are processed using DocuSign, the leader in global electronic signature and document security.

When you complete your Advance Directive with The ROYL, you can download it as a PDF file to your computer's hard drive. DocuSign will email a final copy to the designees in your Advance Directive. We recommend you print a hard copy and send it via email or mail to others you want to have copies.

Contact us if you have questions in preparing the forms selected.

NOTICE: You must have the required information available prior to initiating the document (designees, contact information, wishes for care).

DECLARATION RELATING TO LIFE-SUSTAINING PROCEDURES
(Living Will)
AND
DURABLE POWER OF ATTORNEY FOR HEALTH CARE DECISIONS
(Medical Power Of Attorney)

I. DECLARATION RELATING TO LIFE-SUSTAINING PROCEDURES

If I should have an incurable or irreversible condition that will result either in death within a relatively short period of time or a state of permanent unconsciousness from which, to a reasonable degree of medical certainty, there can be no recovery, it is my desire that my life not be prolonged by the administration of life-sustaining procedures. If I am unable to participate in my health care decisions, I direct my attending physician to withhold or withdraw life-sustaining procedures that merely prolong the dying process and are not necessary to my comfort or freedom from pain.

This declaration is subject to any specific instructions or statement of desires I have added in "Additional Provisions" below.

II. POWER OF ATTORNEY FOR HEALTH CARE DECISIONS

I hereby designate EXAMPLE

as my attorney in fact (my agent) and give to my agent the power to make health care decisions for me. This power exists only when I am unable, in the judgment of my attending physician, to make those health care decisions. The attorney in fact must act consistently with my desires as stated in this document or otherwise made known.

Except as otherwise specified in this document, this document gives my agent the power, where otherwise consistent with the laws of the State of Iowa, to consent to my physician not giving health care or stopping health care which is necessary to keep me alive.

This document gives my agent power to make health care decisions on my behalf, including to consent, to refuse to consent, or to withdraw consent to any care, treatment, service, or procedure to maintain, diagnose, or treat a physical or mental condition. This power is subject to any statement of my desires and any limitations included in this document.

I hereby revoke all prior Durable Powers Of Attorney for Health Care Decisions.

OPTIONAL: If the person designated as agent above is unable to serve, I designate the following person to serve instead:

GENERAL INFORMATION REGARDING THIS DOCUMENT

1. "Health care" means any care, treatment, service, or procedure to maintain, diagnose, or treat an individual's physical or mental condition. "Life-sustaining procedure" means any medical procedure, treatment, or intervention which utilizes mechanical or artificial means to sustain, restore, or supplement a spontaneous vital function, and when applied to a person in a terminal condition, would serve only to prolong the dying process. "Life sustaining procedure" does not include administration of medication or performance of any medical procedure deemed necessary to provide comfort care or to alleviate pain.
2. The terms "health care" and "life-sustaining procedure" include nutrition and hydration (food and water) only when provided parenterally or through intubation (intravenously or by feeding tube). Thus, this document authorizes withholding nutrition or hydration that is provided intravenously or by feeding tube. If this is not what you want, you should set forth your specific instructions in the space provided on page 1.
3. The following individuals shall not be designated as the attorney in fact to make health care decisions under a durable power of attorney for health care:
 - a. A health care provider attending the principal on the date of execution.
 - b. An employee of such a health care provider unless the individual to be designated is related to the principal by blood, marriage, or adoption within the third degree of consanguinity.
4. The power of attorney for health care decisions or the declaration relating to use of life-sustaining procedures may be revoked at any time and in any manner by which the principal/declarant is able to communicate the intent to revoke, without regard to mental or physical condition. A revocation is only effective as to the attending health care provider upon its communication to the provider by the principal/declarant or by another to whom the principal/declarant has communicated the revocation.
5. It is the responsibility of the principal/declarant to provide the attending health care provider with a copy of this document.
6. A declaration relating to use of life-sustaining procedures will be given effect only when the declarant's condition is determined to be terminal or the declarant is in a state of permanent unconsciousness, and the declarant is not able to make treatment decisions.

SUGGESTIONS AFTER FORM IS PROPERLY SIGNED, WITNESSED OR NOTARIZED

1. Place original in a safe place known and accessible to family members or close friends.
2. Provide a copy to your doctor.
3. Provide a copy(s) to family member(s).
