Advance Directives Electronic Forms

The ROYL is a leader in offering electronic Advance Directive documents for digital signatures. Electronic Advance Directive Forms are secure and accessible anytime from any device that allows for Internet access.

Why do an Advance Directive?

Anyone 18 years of age or older should have an Advance Directive. This document allows for the care you have designated to be respected and followed through in the event you cannot speak for yourself. It allows for you to name someone to speak on your behalf, but most importantly it removes the stress, anxiety and guilt from decisions that your loved ones would otherwise have to make on your behalf.

An Advance Directive is not just for aging people. The cases of Teri Shivo and Karen Ann Quinlan serve as examples of how any adult, regardless of age, can benefit from having one. Both young adults, Shivo and Quinlan were kept alive by machines for years because they did not tell or write down what they wanted in the event of a tragic accident. The court battles that ensued took not only an emotional toll, but required government involvement because of disagreements between spouses and family members.

Description:

An Advance Directive, sometimes referred to as a Living Will or an Advance Health Care Directive, allows you to make your wishes known if you are unable to speak for yourself. An Advance Directive provides you and your loved ones with peace of mind that your care is compatible with your wishes. This is truly a gift to those you love as it helps them clearly know what to do in this stressful situation.

Advance Directive requirements vary from state to state. You can download the appropriate state form here at no cost prior to completing the form online so that you have the required information prepared in advance.

Security:

Your documents are processed using DocuSign, the leader in global electronic signature and document security.

When you complete your Advance Directive with The ROYL, you can download it as a PDF file to your computer's hard drive. DocuSign will email a final copy to the designees in your Advance Directive. We recommend you print a hard copy and send it via email or mail to others you want to have copies.

STATE OF LOUISIANA DECLARATION

Declaration made this _____ day of _____ (month, year).

I, EXAMPLE, being of sound mind, willfully and voluntarily make known my desire that my dying shall not be artificially prolonged under the circumstances set forth below and do hereby declare:

If at any time I should have an incurable injury, disease or illness, or be in a continual profound comatose state with no reasonable chance of recovery, certified to be a terminal and irreversible condition by two physicians who have personally examined me, one of whom shall be my attending physician, and the physicians have determined that my death will occur whether or not life-sustaining procedures are utilized and where the application of life-sustaining procedure would serve only to prolong artificially the dying process, I direct (initial one only):

_____ That all life-sustaining procedures, including nutrition and hydration, be withheld or withdrawn so that food and water will not be administered invasively.

_____ That life-sustaining procedures, except nutrition and hydration, be withheld or withdrawn so that food and water can be administered invasively.

I further direct that I be permitted to die naturally with only the administration of medication or the performance of any medical procedure deemed necessary to provide me with comfort care.

_____ I choose to have Blood/Blood Products withheld or withdrawn (Initial only if applicable.)

In the absence of my ability to give directions regarding the use of such life-sustaining procedures, it is my intention that this declaration shall be honored by my family and physician(s) as the final expression of my legal right to refuse medical or surgical treatment and accept the consequences from such refusal.
